BILLING INFORMATION

Three options are available for payment of the annual tuition fees: One payment of the full tuition at the beginning of the year, two payments paying half of the full tuition each time at the beginning of each semester, or ten payment periods paid at the beginning of each month starting in August. These options have the total tuition being paid in full by May 1st.

Tuition payments may be made monthly, bi-weekly, or weekly. You must discuss a payment plan with the office before making payments. Payments are due on the first business day of the month and will receive a late charge if not paid on time. **(PARENTS, PLEASE NOTE THAT YOUR ACCOUNT WILL BE BILLED A LATE FEE**

AUTOMATICALLY AFTER THIS DATE.) A student will not be allowed to attend class if an account becomes 30 days from the first in arrears. Formal withdrawal must be made in the office with a two-week notification for withdrawal. If a student withdraws during the school year, the parent/guardian is responsible for the entirety of the payment period in which the student was withdrawn. Any other pre-paid tuition will be refunded based on regular rates and proper notification. ****There is a 5% discount for tuition paid in full upon registration.****
