These options have the total tuition being paid in full by May 1st. Tuition payments may be made monthly, bi-weekly, or weekly. Payments are due on the first business day of the month and will receive a late charge if not paid by the 10th of the month. **A student will not be allowed to attend class if an account becomes 30 days from the 1st in arrears.** *Formal withdrawal must be made in the office with a two-week notification for withdrawal.* If a student withdraws during the school year, the parent/guardian is responsible for the entirety of the payment period in which the student was withdrawn.
